

Critical information summary

VoIP

Information about the service

The product is a Voice-over-Internet Protocol (VoIP) telephone service that allows you to make and receive phone calls via a Swoop Broadband internet connection.

Installation

VoIP services are activated by us remotely. You may be required to connect some equipment in your home. We can provide support to assist you via phone, email and support ticket.

Requirements and availability

VoIP is not available as a standalone service and can only be ordered in conjunction with an existing or new Swoop Broadband internet service. Swoop VoIP is available on selected residential nbn™, Swoop Fixed Wireless and OptiComm services.

You must use a Swoop-supplied router. If you do not have one, Swoop can supply an enhanced router at an additional charge of \$140 (inc. GST and postage). Any applicable setup and hardware costs are payable up-front.

Setup fee

nbn™ fixed line services have \$0 activation (New Development Fee may apply, see below). New and returning customers are required to pay the first monthly charge and any applicable setup and hardware costs up-front. If activation of the service is unsuccessful for any reason, upfront charges may be refundable after you return the provided modem/router. \$0 activation excludes any applicable "Special Linkage Charges" required to connect your service. For example: Lead-in cabling, in building cabling, non-standard installations, nbn™ new development fee.

Standardised costs

If you restricted your usage solely to Standard National Calls each of 2 minutes in duration, you could make:

- On the VIP plan: 500 calls
- On the Celebrity plan: 1,000 calls
- On the Superstar plan: 1,666 calls

Standard costs for a 2-minute National Mobile Call are:

- On the VIP plan: \$0.24
- On the Celebrity plan: \$0.24
- On the Superstar plan: \$0.24

Setup Fee

There are no setup fees associated with new phone numbers. If you wish to transfer (port) your number from an existing VoIP or PSTN phone service for use with a Swoop VoIP service, a \$50 porting fee will apply.

Untimed Calls

Calls that are advertised as “untimed” (charged per call instead of per minute) will have a maximum duration of 2 hours per call.

Fee For Service

A Fee for Service may be charged for any works conducted by Swoop or our third party access providers to resolve a service fault where the fault is not found to be on Swoop or its third party access provider's networks. This Fee for Service is variable and the details of the possible fee(s) will be disclosed to you prior to the works commencing or the booking of an appointment. They are subject to your approval before proceeding. If you refuse to agree to accept a Fee for Service, it is possible that we may not be able to resolve your fault.

Residential Grade Service

Swoop Broadband Internet and VoIP services are residential grade services with no guarantee of consistent speeds or uptime. If you are seeking a business grade service please call Swoop Business on 1300 333 200.

Priority Assistance

Priority Assistance is a service to provide the highest level response in the event of service failure. Priority Assistance is a service for customers who have, or who are living with someone who has, a diagnosed life-threatening medical condition and whose life may be at risk without access to a fully operational phone service. We cannot offer Priority Assistance at this time. Should you require this service, you should apply for services through a telecommunications provider who can offer Priority Assistance. Telstra are a telecommunications provider who offer a Priority Assistance service.

Battery Backup

Swoop does not provide battery backups. If your power or internet connection go offline for any reason, your VoIP service will cease to function for any purpose including emergency calls. We advise you to have another reliable method of communication in case of emergency.

CSG Waiver

When you apply for a VoIP service, we will propose that you sign a form agreeing to waive your rights under the Customer Service Guarantee (CSG). You are not obligated to waive your protection and rights under the CSG; however, Swoop may choose not to supply a VoIP service to you if you do not agree to wholly waive your rights.
